N12ID DIELESS HYDRAULIC COMPRESSION TOOL

POWER-UP WITH COMPRESSION

Unlock the full potential of your electrical installations with Polaris Compression Connectors, the trusted choice for professionals. Our connectors are engineered for superior performance, ease of use, and compatibility with both standard and flex-rated wires, ensuring a reliable solution for every application.

1

HOW TO QUALIFY

Place a purchase order for \$1,000 USD (\$1,337 CDN) worth of qualifying compression connectors. Include Promotion Code: **FREECOMPTOOL**

Complete a separate purchase order for the tool valued at \$3,216.62 USD (\$4,301.88 CDN).

Maintain an annual purchase history of Polaris Compression Connector products amounting to \$10,000 USD (\$13,373.90 CDN) for a 100% credit memo on the tool invoice.

A pro-rated credit memo will be issued based on the percentage of the goal attained over 12 months.

2

CONTINUOUS PERFORMANCE MONITORING

Receive updates every 90 days on your goal attainment percentage to help you track progress and stay on target for full credit.

3

WIDE RANGE OF COMPATIBLE PRODUCTS

Includes L, LN, GL, GLN, C, SC, AL, ALN, and ASCT Series compression connectors, ensuring you have access to the right tools for any job.
